Four homes. One campus.

A distinctive residential setting in Raleigh, thoughtfully restored and ready for a new purpose.

A neighborhood-scale campus

Independent homes, a shared setting, and space to imagine what comes next.

4 SEPARATE HOMES • 11 BEDROOMS TOTAL • ADDITIONAL OFFICE / PROGRAM BUILDING

Homes A + B

Fully refurbished throughout, each home offers a welcoming, move-in-ready environment for the people our partners serve.

Homes C + D

Comfortable interiors and a variety of residential spaces across the campus.

What could this campus become?

HIVE preserves and restores existing homes and seeks mission-driven partners who can put them to meaningful use.

We are exploring a sustainable, multi-year relationship with an organization whose residential or community-based services could benefit from this unique setting.

We care for the homes so our partner can care for those who call them home.
